GM-PK-02 Car Parking Annunciator Board with LED displays and wireless control. The frame is constructed from continuously welded aluminum box tubing which receives a high quality painted finish. Available with any number of digits. Digit sizes from 5" to 30". Display illumination can be adjusted to three levels. LED displays last up to 100,000 hours. The included wireless controller means that there are no cables to worry about. Just plug it in and play. Version shown has 9 inch tall digits and uses less than 6 amperes of current at 120 volts AC.
